

Do you wake up in the morning and wonder what to do,
To make the world a better place for people around you?
Are you the kind of person who, for reasons not a few,
Looks for ways to help your friends and all your neighbors, too?
If that's the case, then you're in luck. There's something I must say.
For each of us, there is a part just right for us to play.
We all have something we can give to make another's day.
It could be some time, a talent, or even a loud "Hooray!"
The library is a special place, for learning and for fun.
Read a story, share a joke, tell how the West was won.
But we need help from folks like you, parched by this summer sun.
And we get that help from our dear Friends. They do a ton!
At the end of every summer, every kid can pick a book
That's theirs to keep and read and take a second look.
The Friends purchase the craft supplies, the Playaway you took,
The furniture, the signs, and Overdrive's bestselling book.
Do you have the time? Then volunteer!
If you have the means, donate.
If you don't now, then don't despair,
More opportunities await.
Join the Friends and add your voice
To the chorus of happy cheers.
Help the Friends make a difference
That lasts for many years.
